GAMA International LAMP Caribbean Conference

7-9 September 2022

We are delighted to advise that in light of our continued commitment to the growth and development of the insurance and financial services sector, global and regional stakeholders are joining forces to mount the annual **LAMP Caribbean Conference** which will be held under the theme: **Rising STRONG**. We are certainly indebted to you for your contribution to the success of our hybrid Conference 2021. We anticipate that Conference 2022 will be equally rewarding for all attendees.

The relaxation of COVID19 restrictions affords us the opportunity to meet "in person", so we anticipate maximum attendance from delegates as they interact and network with their counterparts from across the region.
